Trust the Bona System™

Bona is the hardwood floor care expert with nearly a century of experience developing quality hardwood floor finishing and care methods.

Following Bona's hardwood floor care and maintenance system can ensure the long-lasting beauty of your hardwood floors for years to come.

From Start...

The complete beauty kit for your floors.

The pioneer of water-based finishes and dust containment in the industry, Bona provides the cleanest, most convenient hardwood floor finishing process – ensuring the highest quality results on every hardwood floor job.

...To Finish

Depend on a Bona Certified Craftsman®

Bona Certified Craftsmen® are hand-picked, top level professionals, trained and certified by Bona, who are committed to the Bona System™. We instill in each of them the knowledge of our best practices and how to bring out the beauty of your investment in hardwood floors. Trust a Bona Certified Craftsman – for a glorious luster, the most inviting stain colors, and durable, industry-leading protection.

The professionals that will earn your trust.

Durable & Beautiful Finishes: Bona water-based finishes offer the ultimate in durability and protection while enhancing the beauty of the floor.

Clean Air, No Dust: Bona's Dust Containment System generates 99.8% less dust in the air than the traditional sanding process, making the air safer to breathe and the clean-up after the process a breeze.

Lifetime Support: For the life of the floors, Bona has the products and services that will support homeowners in maintaining beautiful floors for a lifetime.

Insured, Trained and Trusted: Every Bona Certified Craftsman is required to be insured and to participate in Bona's rigorous training regimen to make sure every floor is done right every time.

Back on Your Floor Quicker: Fast drying waterbased finishes give homeowners quick and easy access to their homes with minimal disruption.

Insist on Eco-friendly Bona Finishes

No need to vacate your home during the finish process.

Durable – withstands daily foot traffic and scratches from pets.

No harmful fumes.

Beautiful – highlights the true beauty and elegance of wood and won't amber over time.

Bona products have protected and cared for distinguished floors such as Westminster Cathedral, Nike World Headquarters, professional sport arenas and museums worldwide.

Bona is GREENGUARD certified to meet strict chemical emission limits for healthier indoor air quality.
